EXPERIENCE

Redberry / Front-End developer

2019 - 2023

- Collaborated with product owners to understand business goals and objectives.
- Worked closely with UX designers and product owners to understand design concepts and contribute technical insights.
- Implemented designs using HTML, CSS, JavaScript, Vue.js and Tailwind CSS.
- Gained experience in agile methodologies.

Freelancer / Front-End developer

2018 - 2019

- Developed multiple responsive websites using HTML, CSS, JavaScript and Bootstrap.
- Worked with clients to understand project requirements and translate them into a functional web interface.
- Managed project timelines and effectively communicated with clients and backend developers.

SOFT SKILLS

Empathy

Ability to deeply understand user pain points and design with compassion.

Communication skills

Strong ability to communicate effectively with both technical and non-technical team members.

Quick Learner

Capable of learning new tools, technologies or methodologies fast.

Team Collaboration

Experience in collaborating within cross-functional teams.
